

Conditioned For Satan

by David J. Stewart

"I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive." —John 5:43

The world is being conditioned (prepared) to receive Satan (i.e. the coming Antichrist). In an unbelievable turn of events (made possible by the 911 crisis), the [New World Order](#) is well on it's way to completion. I anticipate the completion of the *New World Order* (NWO) around 2015 (just a humble guess). The NWO will consolidate all religious, political, economic, monetary, and military entities—a One World Order.

The hallmark of the NWO will be a Godless Global Totalitarian Communist Police State. A confederate of nations will rule the world under the leadership of the Antichrist. Other nations will comply due to fear. The Antichrist may very well claim to be a Christian, just as many falsely do today. Satan is a beautiful liar.

The minds of the world's population have already been greatly **CONDITIONED** to receive the Antichrist. We see clear evidence of this in the [Satanic hand sign](#), which is extensively flashed throughout American society by every age group, religious and non-religious alike, poor and rich, it matters not. The [El Diablo](#) hand sign shows allegiance to Satan, whether the people using it realize it or not. The hand sign itself represents the [horns on a ram](#) (which is a mockery of the Lamb of God).

See also, [The Pentagonagram](#).

Entertainers like [Criss Angel](#) are also being used by Satan to prepare society for the coming Antichrist.

Honestly, if the Antichrist came today, the world would gladly embrace him—just as they embrace many, just as they embrace the sicko pervert Michael Jackson, just as they embrace the filthy whore Britney Spears, just as they embrace the Communist Barack Obama, just as they embrace the whoremonger Gene Simmons, just as they embrace the Satanist Ozzy Osbourne. The world is ready for the Antichrist!

The Antichrist will represent everything that is evil, but he will easily fool the world into thinking he is a GREAT MAN. It will be easy for the Antichrist to find acceptance because the world will already be conditioned in their minds to accept him. If you have any doubts about what I am saying, then please consider careful the following information:

1. **Christianity Today** magazine recently endorsed the [Harry Potter](#) series. Children all across the world are embracing Harry Potter's witchcraft. Even the witches themselves admit that Harry Potter has greatly benefited their cause. The *Church of Satan* has stated that Harry Potter is an "absolute godsend." What has Christianity deteriorated to when so-called "Christian" parents see no harm in witchcraft? If Christians don't see any harm in witchcraft, then why should lost sinners who know not the Lord Jesus Christ see any harm? The fact that Satan has already conditioned so many believers into accepting witchcraft is a likely sign that the appearance of the Antichrist cannot be far away.
2. **All recent Presidents have been involved in the occult.** Former U.S. President, George W. Bush and his father are both members of [Skull and Bones](#) and [Bohemian Grove](#). George Bush aided and abetted the terrorists of 911 by blocking the FBI and Defense Department from investigating the terrorists (by signing Presidential Directive [W199-eye](#)... the smoking gun of 911). Former FBI Deputy Director John O'Neill resigning from his job because of the Bush administration's obstruction of justice ([John O'Neill was murdered](#) the first day on his new job as Security Director of the Trade Towers in New York... on [911](#)). Evidently someone was afraid he might talk. The stench of the evil reaches into Heaven. Sadly, New York firefighters have been [ordered by a judge to remain silent](#) or face jail time, despite the fact that many of them [heard multiple detonation blasts](#) as the buildings came down. 911 [victims have been ignored](#). Here's the [sad truth](#).

George W. Bush has [openly endorsed](#) the different religions of the world, even reading from the Qur'an on national TV for all to see. When Pope John Paul II died on April 3rd, 2005... President George W. Bush said: "*A good and faithful servant of God has gone home.*" A good and faithful servant of God? I don't think so. No truly born-again believer would ever endorse the leader of the world's biggest false religion. Sadly, the Pope is now [burning in Hell](#).

[1.2 million Iraqis](#) (many of whom were women and children) have been [murdered](#) by American and coalition forces, in an ILLEGAL war. Congress never signed a declaration of war (as the U.S. Constitution states they MUST). The UN never sanctioned this evil invasion of a sovereign nation. Where are those Weapons of Mass Destruction? Why are we [stealing Iraq's oil](#)? The Bush administration [lied](#). To date, not one shred of evidence has been presently to LINK Iraq with 911. [Bush even makes a joke of the war](#). Maybe George W. Bush is the antichrist, he is certainly NO born again Christian. Oh yeah, your "anti-abortion" president [gave \\$288,000,000 to Planned Murderhood in 2003](#).

Yet, sickeningly, Christians all across America voted for George W. Bush and continue to praise him as a great leader. [Why do America's churches support tyranny?](#) It is just another clear sign revealing the extent to which Satan has conditioned ("blinded," 2nd Corinthians 4:4) the masses to the truth. If professed Christians are so eager to accept a Satanic mass-murdering president who endorses false religion, then they will without a doubt love the [Antichrist](#) too.

3. **America's religious leaders praise the Pope!** Please also read, [Billy Graham Exposed!](#) You know a nation has gone far into apostasy when it's religious leaders are praising the leader of the Great Mother of Harlots, Catholicism.

"They—the gays and Billy Graham—do, indeed, remain friends. According to the *San Francisco Chronicle & Examiner* (October 10, 1997), after hearing Graham's latest milquetoast sermon, Brian Jackie, a gay San Francisco Catholic, praised the evangelist. "Graham is a man of integrity," said Jackie, adding that Billy Graham always has a "positive message." Jackie's friend, the Reverend Bill Byrd, homosexual pastor of the San Francisco Evangelical Gay Church, heartily agreed. "I have no problem with Graham's preaching," said the Reverend Byrd, "Billy Graham brings people together."

Brings people together? Yes, Billy Graham does do that-- he brings the sinful tares together as one into a huge heap, ready to be burned and destroyed by the dreadful, consuming fire of the Lord at the Great White Throne Judgment." —Texe Marrs

[Jerry Falwell Honors false prophet Benny Hinn](#) and [Falwell accepts \\$3,000,000 from cult leader Sun Myung Moon](#) (you know, the [pervert who has sex with women within the Moonies cult to "purify" them](#). Tragically, enrollments are booming at Falwell's Liberty Baptist College. Don't Christian parents check into where they're sending their kids to school? It's just another clear indication of the woeful apostasy plaguing America! [Falwell Hosts Summit With Gay Minister](#))
5. Increasingly, America's churches are accepting the [gay agenda](#)...

Emergent church leader says 'gay' can be biblical lifestyle

One of the key leaders of today's most cutting-edge church movement has opened an Internet discussion on the issue of same-sex marriage with the bold proclamation that he believes "gay, lesbian, bisexual, transsexual and queer" individuals can and should live out their sexuality in - and blessed by - the Christian church.

"I now believe that GLBTQ can live lives in accord with biblical Christianity (as least as much as any of us can!)," writes author and church leader Tony Jones, "and that their monogamy can and should be sanctioned and blessed by church and state."

Jones (pictured left) is an author and former youth pastor who holds a doctorate from Princeton Theological Seminary. He is also the national

coordinator of Emergent Village, a loosely-formed friendship of churches that derive their descriptive name from having "emerged" from postmodernism to take the gospel of Jesus Christ into a post-Christian culture.

The "Emergent Church," as these mostly young, community- and mission-driven congregations are collectively known, is criticized by some for being "theologically liberal," praised by others as the best hope for passing the torch of Christianity to future generations.

In his ["The New Christians" blog](#), Jones opens up a discussion and debate on the issue of homosexuality with his readers and with a fellow theologian/blogger, a self-described political conservative, Rod Dreher...

7. As webmaster of [Jesus-is-Savior.com](#), much of my criticisms and negative e-mails come from professed "Christians." They tell me that Jesus preached a "gospel of love" and that I should "stop trying to scare everyone into Heaven." They accuse me of driving more people away from Christ than actually bringing people to Him. I get horrible e-mails from Christians telling me that I ought to be ashamed of myself and repent. Other Christians tell me that I am wasting my time because Satan must run his course. One pastor told me last year that people would think I'm a nut after looking at my website. Well, my website had over 90,000 visitors last month alone (praise Jesus!), that's more people than that pastor will ever reach in his lifetime (with all 15 of his church members). If the truth causes people to consider me a nut, then so be it in Jesus' name. I'll happily be [a stick in the mud](#) for Jesus. They called Billy Sunday a nut too! I am NOT surprised to receive such foolish criticisms from a generation of Christians who wickedly vote for occult members and deliberately allow their kids be exposed to witchcraft...

***"Nevertheless when the Son of
man cometh, shall he find faith
on the earth?" —Luke 18:8***

Yes, the world's masses are being conditioned for the coming of the wicked one (2nd Thessalonians 2:8,9). Please read, [Psychic Explosion!](#) The [New Age's](#) doctrines of devils are all around us. Every form of [witchcraft](#) from palm reading to [Kundalini yoga](#) has become prevalent worldwide. We see [allegiance to Satan](#) everywhere—please read [Sister Faustina EXPOSED!](#) Everything from [Harry Potter's](#) witchcraft to the lascivious [Sabrina the witch](#) is appearing on the movie screen. Whores, witchcraft, [astrology](#), lesbianism, the occult... it's everywhere!

Never in the history of America have professed Christians been any more DESENSITIZED to sin and evil than they are right now! The hellivision has done it's job. The horrendous murder of Terri Schiavo was no big deal to the average person living in America. Where were the churches? Why is Bill Cosby the only one preaching loudly against the wickedness of New Orleans' citizens? What about Las Vegas, a city so evil that they've officially adopted the name... **SIN CITY!** Why aren't more churches fighting against homosexuality and abortion? We have forgotten God. Most of the pulpits across America are DEAD! Wake up oh Christian... WAKE UP!

Below is a panoramic view of the City of the Arts and Sciences. The city is pictured full of Catholic patriots who came to listen to RATzinger's sermon about family values! I wonder what that's blue thing...?

And there's the False Prophet himself, next to the creepy illuminati eye!

Boy, this place is full of eyes!

Now this is quite an interesting photo below: Satan-possessed young people holding this banner with a triangle and the eye, except that the eye of Horus is replaced by the Pope's Dagon hat! That lady in blue doing the Satanic salute has no idea how correct she is!

Dagon, the Philistine fish god.

Note the
mouth-shaped
hat. Compare
to the two-
horned mitre
worn by the

Church officials
today. Learn

It's also interesting to note
that the Pope's hat forms an
EYE when viewed from the
top looking down upon him.

Below we see carvings and diagrams of Dagon priests and their fish head hats along side the Pope with his similar fish-head hat holding the crooked cross of Mithra.

My Goodness... is Revelation 13:16 already here?!!

"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads" -Revelation 13:16
